### **Hall of Champions Lease; Arnold Schwarzenegger Event**

**We do not have all the facts concerning the Arnold Schwarzenegger event at the Hall of Champions. We are prepared to advise the City Manager regarding this matter after all the facts have been ascertained. We have advised the City Manager to request information about the event from the City lessee, San Diego Hall of Champions Inc., and bring its attention to the provision in the lease regarding political activity. The City did not approve, nor know about the Schwarzenegger event in advance. It is our understanding that the Hall of Champions coordinated the event directly with organizers of the Schwarzenegger campaign.**
